DRIVING SUPPORT

comfort for the bumpiest journeys

Yeti is equipped with a multi-functional windstopper that not only comes in handy during windy conditions but also protects against unnecessary arm movement and limits visual stimulation.

The one-piece construction **Yeti** stroller allows for a quick and easy folding which facilitates daily use, storage and transport.

The adjustable tension system uses 14 independent velcro straps (7 on the seat and 7 on the backrest), to customize **support and stiffness** to the child's needs by tightening or loosening specific points.
